News from Mrs King...

I am writing to you to give a huge thank you to the parents, staff and, of course, the children of Sandiway Primary School for your support with my fundraising for my trek across the Camino de Santiago last week. With your help, I raised over £3,000 for St Luke's Hospice in Winsford. My adventure took me across Northern Spain, beginning in a little town called Sarria and then finishing in the beautiful city of Santiago. The walk had some quite challenging sections but at least the weather was very kind to us! We walked over 150 km in 5 days, meeting other walkers from every corner of the planet.

St Luke's Hospice was very grateful for all of your donations as they rely on people's generosity and support to do the wonderful, caring work that they do. Some of the nurses joined me on the trek and when I told them how you had supported me with the wonderful cake sale that Year 4 had organised, they were really appreciative.
