News Story of the week

In the news this week

The Football Association (FA) has laid out new plans aimed at raising awareness and increasing participation in disability football. The strategy, called Football Without Limits, includes growing the Comets programme for young people aged 5–11. The FA says Comets will be the most inclusive format of the sport and will provide a safe and supportive space for children to start playing football.

Things to talk about at home ...

- Share your thoughts about the FA's plans to increase awareness of disability football.
- Can you think of a time when you have felt like you belonged (perhaps in a team or group)? What was it that made you feel included? Ask the same questions to someone at home.
- Ask people at home whether they, or someone they know, have benefitted from a similar programme.

Staffing Updates

As we approach the end of this term, we bid a fond farewell to Mrs Kerry Broadbent, who has worked as a Teaching Assistant at Sandiway for the last 16 years. Throughout her time with us, she has shaped and inspired countless lives and she will be greatly missed by both pupils and staff. We wish her the very best of luck in her future endeavours.

Mrs Segrott will be leaving her office role but will continue to support us as our Club Rock Leader. She will also be taking on a new role leading the after-school club at Hartford Primary.

Mrs McNair will be working Mrs Foy until Mrs Sawicki returns. I am sure that you will join me in thanking Mrs Segrott for all of her hard work, care and dedication to our school over the years. She will continue to be an invaluable member of our team, and we wish her the very best for the future.
