

Guiding Principles for Behaviour

*Create Learning Trust has adopted the following guiding principles to ensure the high-quality provision to enable positive behaviour and attitudes. These principles are written in line with **EEF's Managing Behaviour in Schools (2021)** and the **EIF Inspection Framework (2024)***

- We know and understand our pupils and their influences.
- We teach learning behaviours alongside managing misbehaviour
- We use classroom management strategies to support classroom behaviour
- Consistency in approaches is key to managing behaviours
- Our school's vision of kindness underpins responses to misbehaviour
- We work together to improve Attendance
