News of the Week!

Safer Internet Day Tuesday 11th February 2025

Safer Internet Day 2025 is 'Too good to be true? Protecting yourself and others from **scams** online'.

Challenge

The children have been given a challenge to **create a poster** to be displayed in school to explain how to spot 'Scams'.

It needs to be **bold, bright** and **display clear eye catching information**.

The winner from each Year will be selected on Friday 14th February.

Mental Health Week

To end Mental Health Week, children were given the opportunity to try out different wellbeing techniques across the school. Teachers offered a different activity, from making bracelets to running, and children chose which ones they would like to try out. The atmosphere around school was wonderful and calm with all children enjoying trying out something new!

What an exciting opportunity we have after half-term.

We will be having a **world-famous Olympic athlete** visiting our school to deliver fitness circuits and inspire our young children with their incredible achievements and life-story. This will be a fantastic opportunity to raise money for the school for our PE and sporting equipment as well as providing an inspirational role-model to our children.
