## News of the Week—Behaviour Assembly

This week's assembly, led by our Behaviour Lead Mrs. Harvey, focused on behaviour and the use of the field now that the weather is improving. We discussed the importance of respecting our play areas and each other. Our children listened really well and gave us amazing feedback so we will be refreshing the playtime equipment boxes to keep things fun and engaging. Additionally, we'll be updating the role of our Year 6 play leaders to help ensure playtimes are positive and enjoyable for everyone.

Thank you for your continued support!

## Looking Smart in our School Uniform

We're so proud of how smart our pupils look in their school uniform! Wearing the correct uniform shows pride in our school and helps everyone feel part of the team. We encourage all pupils to take ownership of their uniform by making sure it's neat, tidy, and worn with pride each day. Thank you for your support — let's keep up the great effort and continue to look our best.

## Farewell and Good Luck Mrs White

We would like to say a huge thank you to Andrea White, our wonderful KS1 Teaching Assistant, who will be leaving us at the end of this week. Andrea's warmth, patience, and dedication have made such a positive difference to both the children and staff at Sandiway.

Good luck, Andrea — you'll be greatly missed!

## PTA—Smarties Tube Collection and Wonka Bar Golden Ticket

Many thanks to everyone who contributed to the recent PTA Smarties Tube Collection and the Wonka Bar Golden Ticket draw! We had a fantastic response to both and raised in excess of £1300 across the two!!

All of that money will be used towards a refresh and update of each Years' band-ed reading books to ensure that every child has the books that they need to progress and develop their reading skills.
